Applications are now being accepted for a

MATHEMATICS INSTRUCTOR

Fort Peck Community College, Poplar MT.

Tribal College of the Fort Peck Assiniboine and Sioux Tribes

Position Description: MATHEMATICS INSTRUCTOR. The full-time INSTRUCTOR is expected to:

1. Teach MATHEMATICS courses at the freshman and sophomore curriculum levels, in accordance with the established course outlines of record and consistent with college standards. This includes organizing instruction to achieve course and program learning outcomes, INSTRUCTING ALEKS computer assisted classes, organizing and conducting learning laboratories, instructing through lecture and demonstrations. Courses to be instructed during the semester may include BASIC MATH THROUGH CALCULUS. (FPCC Catalog on-line at http://www.fpcc.edu):

   Advise twelve to fifteen General Studies students, approximately 10 to 15 hours monthly, during the semester.

2. Assist in curriculum development in the MATH courses, following pre-established course content, through the ALEKS computer assisting learning system.

3. Attend monthly faculty meetings, and participate in the college faculty senate and the program learning outcomes team as assigned.

4. Participate in the faculty evaluation process, service learning and student retention initiatives.

5. Keep up-to-date on mathematics (including techniques of effective learning), through professional development opportunities.

6. The term of employment is Fall Semester and Spring Semester.

Qualifications:
1. A Master’s Degree in mathematics is preferred, bachelor’s degree required. Degrees must be from an institution accredited by an accrediting agency recognized by the US Department of Education.
2. Documented successful college teaching experience in mathematics is required; one year minimum. This must include computer assisted math instruction.
3. Related professional experience in American Indian communities.
4. Demonstrated ability to relate to students and staff of varied ethnicity, especially American Indian students, and a commitment to a culturally diverse educational environment.
5. Appreciation and respect for students (including adult students) and their role and responsibility in the learning process.
6. Demonstrated commitment to the philosophy and mission of the tribal community college.

Applications: Complete submission of application materials

1. A Cover Letter that references position for which you are applying
2. Current curriculum vitae
3. The names and contact information for three professional references
4. College transcripts (unofficial copies are acceptable)

Fort Peck Community College. Fort Peck Community College is a tribally controlled community college chartered by the government of the Fort Peck Assiniboine and Sioux Tribes. The college is fully accredited by the Northwest Commission on Colleges and Universities. Nineteen degrees and eleven certificate programs are offered by the college. The average enrollment is 450 students, 85% are American Indians and residents of the Fort Peck Indian Reservation. Female students comprise 60% of the enrollment. The college main campus is in Poplar, Montana, also the capital of the Tribes. Each year the college graduates between 40 and 65 students. The college faculty consists of twenty full time and twenty-five part time members. FPCC is a member of the American Indian Higher Education Consortium, the American Association of Community Colleges and the World Indigenous Higher Education Consortium.
