STUDENT SUCCESS

Current FPCC student Waycen Owens-Cyr (Far Left) at the American Indian College Fund Flame of Hope Gala banquet in New York City held on March 1st, 2016. Waycen was one of four Student Ambassadors, along with American Indian College Fund President and CEO Cheryl Crazy Bull, to present during the event. Congratulations Waycen!

PRE-ENGINEERING AT FPCC

The Associate of Science Degree (AS) in Pre-Engineering is designed to prepare students to transfer to a four-year institution to complete their Bachelor of Science (B.S.) degree in engineering. Students can complete the first two years of the engineering degree program at Fort Peck Community College (FPCC). The Pre-Engineering program provides students with a strong foundation in mathematics, physics, chemistry, and introductory engineering courses that enable them to successfully complete their engineering degree. Students can transfer to any university of their choice, but the pre-engineering program is designed as 2 + 2 program between FPCC and Montana State University-Bozeman.

SINGING IN THE SPRING

FPCC would like to thank the Culture Committee and Wolf Point Community Organization for sponsoring this year’s “Singing in the Spring” FPCC 2016 Mimeya Wacibi. Over 200 community members participated in the round dance. The FPCC Culture Committee is charged with leading and organizing various cultural activities on behalf of the college. The Culture Committee looks forward to many more events in the future!
