EARLY CHILDHOOD EDUCATION PROGRAM AT FPCC

Let us put our minds together and see what life we make for our children. Sitting Bull

Move towards your future in Early Childhood Education today.

- FPCC offers an Associate of Applied Science (AAS) degree in Early Childhood Education.
- Program of study courses transferable to universities in Montana.
- Program designed to meet the needs of children from birth through age eight.
- Professional growth opportunities for those in Child Care Centers, Head Start, and Pre-Schools.
- Professional growth opportunities for para-professionals in elementary grades.
- Opportunities for elementary schools to connect with college students in their classrooms.
- Learn about children's characteristics and needs.
- Know about multiple influences on development and learning.
- Learn how to involve families in their child's development and learning.

Don't wait. Call today, email or stop by the ECE office located in the War Eagle Vision building, upstairs, Poplar campus.
