## Summer 2017 Math and Science Courses Offered at FPCC for high school and college students

The Fort Peck Community College (FPCC) Summer Math Program is designed to help students improve their Math skills and prepare them for college level Math courses. Students will be placed in the appropriate math course based on their ACT or the FPCC placement test scores. The FPCC Summer Math and Science program is funded by the TCUP grant.

### Program Benefits and Highlights:

- ❖ College and high school students (Grades 10-12) can participate
- ❖ Stipends of \$200 each plus travel allowance (gas money) are available for the students who successfully complete a Math course or the Chemistry course
- ❖ Students in the research courses will receive \$12/hour plus travel allowance (gas money)
- ❖ Improve you math and science skills
- ❖ Free tuition/fees, textbooks, and Math software (ALEKS)
- ❖ Math and science tutoring available to all students
- ❖ A great way to get a head start on college
