Summer Math Bridge Program at Fort Peck Community College

The Fort Peck Community College (FPCC) Summer Math Bridge Program is designed to help students improve their Math skills and prepare them for college level Math courses. Prospective students will be placed in the appropriate math course based on their COMPASS math placement test scores. The Summer Math Bridge Program is funded by the MSEIP and the TCUP grants.

Math Courses that will be offered in the Summer 2016 Semester:

M 121	COLLEGE ALGEBRA
M 151	PRECALCULUS
M 161	SURVEY OF CALCULUS
STAT 216	INTRODUCTION TO STATISTICS
CP 085	PRE-COLLEGE MATH
M 098	ELEMENTARY & INTERMEDIATE ALGEBRA

Program Benefits and Highlights:

- ❖ Students can participate in the Summer Math Bridge Program by enrolling in a Math course. Please check the FPCC 2015-2016 Summer Schedule for courses offered, times, and locations.
- ❖ College and high school students (Grades 10-12) can participate
- ❖ Starts on June 6 and ends on July 29, 2016
- ❖ Stipends of \$200 each plus travel allowance (gas money) are available for the students who complete the program (successfully complete a Math course)
- ❖ Improve you math skills
- ❖ Receive 3-5 college credits
- ❖ Free tuition/fees, textbooks, and Math software (ALEKS)
- ❖ Math tutoring available to all students
- ❖ A great way to get a head start on college
