## Fort Peck Community College Meets COVID-19 Challenge

### Fall 2020 Semester

**Online! Hybrid! In-Class! We've got this!**

FPCC students will have every tool they need to be successful in an online & hybrid environment. Laptops and internet access will be provided for those who have need & meet the criteria. Students will receive training in the new online platform to assure easy transition to online learning. Vocational students will learn in a safe environment by practicing social distancing at all times.

*FPCC is committed to student success and safety.*

**Need internet access at your home, be prepared for the first day of class. Register today so the installation at your home can get started.**
