RE: Campus Update

Dear FPCC Students and Colleagues,

As we prepare to embark on this “new normal” for the remainder of spring semester, I really appreciate all the time and effort you are putting into adapting to our new circumstances of remote learning. Please make note of the following campus updates:

- **Extend campus shutdown until Monday, April 6th, 2020** (please check student emails, FPCC Facebook Page, and FPCC website for updates)
- **Spring Semester 2020 Graduation ceremonies are cancelled**, but plans to reschedule are underway (possibly summer)

The remote learning format will continue until campus reopens. This is new territory for all of us. Campus and shared governance leaders are working together around the clock to get this right. Please have faith that we act with the best of intentions, even if the delivery is sometimes less than ideal. We have a long way to go together, and we need to support one another. We will get through this and come out stronger on the other side — if we work together and show each other patience, understanding and a positive attitude as we tackle the challenges our community will face in the days and weeks ahead — together.

Feel free to contact me directly if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink that reads 'Elijah Hopkins'.
